

THE TAX REFORM COALITION

November 28, 2017

The Honorable Mitch McConnell
Majority Leader
United States Senate
U.S. Capitol Building, Room S-230
Washington, DC 20510

Dear Leader McConnell:

The American economy is one of the most vibrant in human history. Coupled with our way of life, it has lifted our nation to be the undisputed leader of the free world. However, for the last several decades our people and our job creators have been shackled by an overbearing tax code that stifles economic growth, discourages investment, and pushes millions of American jobs overseas.

The American people are ready for relief, and our economic engine thirsts for an environment that will yield more growth, more jobs, and higher wages. The time is now to move forward with the current tax reform package.

We the undersigned – 600 plus members of the nationwide Tax Reform Coalition – encourage all US Senators – especially those on the Budget Committee – to vote to move the bill to conference committee as quickly as possible, so that a final package can be delivered to President Trump’s desk for signature before Christmas.

Sincerely,
